

The Meeting on the World Drug Problem, hosted by the United States and chaired by US President Donald Trump, marked the start of an intensive working week for First Deputy Prime Minister and Minister of Foreign Affairs of the Republic of Serbia Ivo Dacic, devoted to the strengthening of the position of the Republic of Serbia in today's world.

During many bilateral meetings, multilateral side-events and meetings on the fringes of the "UN Week", Minister Dacic will have the opportunity to inform his interlocutors about the policy of the Government of the Republic of Serbia, the course of the economic reforms implemented by the Republic of Serbia as well as about the dialogue between Belgrade and Pristina and the European integration process of the Republic of Serbia.
