

Letter of the Commercial Bank Executive Board e-mailed to the Embassy of the Republic of Serbia in Sarajevo expressing gratitude to the Embassy for its engagement during the blockade of members of the International Conference of the European Fund for SEE in Sarajevo

The letter reads:

"Dear Ms Bozic,

We wish to express once again our sincere gratitude for the generous assistance provided to our bank representatives Dragan Santovac, Mihajlo Kosanovic, Aleksandar Grabovac and Ranko Keric, during the blockade of the participants of the International Conference of the European Fund for SEE at the BiH Parliamentary Assembly in Sarajevo.

We were informed that your engagement was not only highly professional, but also absolutely sincere and selfless, which made it possible for our representatives to return not only safely, but also exhilarated, knowing that, even in highly delicate situations, one can feel protected and secure.

We would be very pleased to see you in our Bank, to assure you that the Commercial Bank also deserves to be referred to as the most reliable Serbian bank.

We thank you once again, expressing our respects and best wishes.

EXECUTIVE BOARD"
