

First Secretary of the Embassy of the Republic of Serbia to India Dejan Vukic last week held a lecture on Serbia's foreign policy and bilateral cooperation with India for postgraduate students of PCTE University in Ludhiana, India's federal state of Punjab.

On this occasion he got acquainted with the functioning of PCTE and its study programmes, namely computer science, business studies, tourism, hospitality industry and pharmacy, and also discussed with the founder and Director General of PCTE, Mr. K. Kang, prospects for cooperation with Serbian education institutions.
