

The Director of Umoja Orphanage charity organization invited the Serbian Ambassador to Kenya, H.E. Mr. Dragan Zupanjevac, to attend the benefit football tournament and cultural event, organized in Kibera as a token of gratitude to the Serbian Embassy which facilitated two Kenyan young football players coming to Serbia for education and an opportunity to play for a Serbian team.

Ambassador Zupanjevac was honoured by the warm welcome, namely, a large panel was placed beside the football pitch welcoming the Ambassador, while the players wore football shirts with Kenyan and Serbian flags. During the match and cultural programme, Serbia as a sports nation was mentioned many times, and so was the readiness and goodwill of many young talented athletes from Kibera to come to Serbia and become members of local sports teams.
