History of the Serbian Ministry of Foreign Affairs by Bogdan Lj. Popovic

"The manuscript before us describes the history of a public institution... It depicts a 113-year period of the Ministry of Foreign Affairs. It begins with initial steps made by Serbia's Foreign Service and ends with the year 1918. More specifically, it covers the period from the Serbian Uprising against the Ottomans to the creation of the Kingdom of Serbs, Croats and Slovenes."

Bogdan Lj. Popovic (excerpt from the author's Preface)
