Diplomatic Protocol by Zoran Veljic

“The book *Diplomatic Protocol* by Zoran Veljic is probably the only comprehensive edition in this field released not only in this country but also in the wider region of this part of Europe. The book is also important as it is based on the experiences and current trends in the present-day diplomatic protocol in many countries, primarily in European Union countries. It is a valuable reading, above all for people either dealing with, or those who will be dealing with, the diplomatic protocol on a professional basis. In my opinion, it is very useful to any reader as guidance in expanding his general culture horizons. That is why I strongly recommend this book.”
