

A roundtable "Business Opportunities in Serbia" was held on 19 September in the Chamber of Commerce in Helsinki. The event, devoted to Serbian economy and investment opportunities and attended by 20 guests, was organized by the Helsinki Regional Chamber of Commerce, Embassy of the Republic of Serbia, Serbian Development Agency and the Enterprise Europe Network.

Saša Obradović, Ambassador of Serbia to Finland highlighted some examples of successful business cooperation between Finnish and Serbian companies, indicating incentives for investors in renewable sources of energy and development of investment risk eco-systems. Siv Ahlberg, Director of the Finnish national agency Finnpartnership presented financial incentives offered by her agency to Finnish companies doing business with Serbia, including investments.
