Serbian Ambassador to Iran Dragan Todorovic visited the city of Qom and Al-Mustafa University, on which several Iranian [media](#) outlets reported. Ambassador Todorovic [had talks](#) with President of the University Ayatollah Aarafi who stressed the need to deepen cultural, scientific and economic ties between Serbia and Iran.

"Students from Serbia of all religious beliefs are welcome, each of them being a kind of an ambassador of Serbia in the fields of science, culture or faith. Having in mind his knowledge of Persian language and culture, I believe that the Serbian Ambassador will make a contribution to this end during his term-in-office", the University President was quoted as saying in the Iranian media reports.
