

"Kosovo: A Moment in Civilization", a documentary by Boris Malagurski, had its New York premiere in Manhattan's SVA Theatre, organized by "Cultural Events" agency with support of the Consulate General in New York. The New York premiere followed the success of the premieres held in Chicago, Miami, Washington DC, Boston and Toronto (Canada), with the support of the Serbian Consulate in the United States.

The film gives an authentic historical account of the endangered status of Serbian cultural sites in Kosovo, conveying unambiguously to whom Kosovo with its historical and cultural heritage belongs.
