---

The Serbian Embassy in Prague presented the tourist potentials of Serbia in the framework of an event "Experience a place in a different way", held on 15 September at 75 venues in Prague and in 25 other Czech cities.

The streets of Prague hosted concerts, theatre shows, workshops and exhibitions. At the booth of the Serbian Embassy, promotional materials of Tourist Organizations of Belgrade and Serbia were handed out to the visitors. The citizens of Prague and numerous tourists were offered a tour of our Embassy, well-attended not least due to the good address of our diplomatic mission, near the Charles Bridge.
