

The Embassy of Serbia participated in children's workshops organized in the context of the Festival of Diplomacy at the Biblioteca Europea city library, on 23 October 2018. The Republic of Serbia was introduced within the "Balkans" programme section, together with Greece, Romania, Albania and Bulgaria, through interactive role-plays led by student Ivana Mitrovic and actress Sofia Chiappini.

The workshops were organized by a group of students from the Rome Business School, at the invitation of Giorgio Bartolomucci, Director and Founder of the Diplomacy Festival. The Embassy representatives gifted the brochures of the National Tourism Organization of Serbia and Serbia-made candies to the children who participated in the workshops.
