

First Deputy Prime Minister and Minister of Foreign Affairs of the Republic of Serbia Ivica Dacic received a congratulatory letter from the Foreign Minister of Belgium Didier Reynders, on the occasion of the establishment of the new Serbian Government.

"It was with pleasure and enthusiasm that I received the news of your reappointment as First Deputy Prime Minister and Minister of Foreign Affairs in the new Government of the Republic of Serbia.

Considering that Serbia opened negotiating chapters 23 and 24 in its negotiations with the European Union, which gave new impetus to your country's EU accession, I would like to emphasize that Serbia can count on further support of Belgium in its European integration process.

I wish you every success in your new term-of-office and I look forward to further cooperating with you, with an aim to strengthen our bilateral ties, at both economic and political levels", reads the congratulatory letter by Minister Reynders.
